

Sasken Quality, Information Security And Environment Policy

Sasken Leadership and all Sasians are committed to define, implement, continuously improve quality, information security, environmental management systems, and uphold the highest standards of Governance while being an equal opportunity employer.

Quality

Sasken's Quality philosophy stems from its Vision:

To be among the foremost providers of product engineering and digital transformation services for marquee customers by offering a bouquet of "Chip to Cognition" solutions and building a workplace that encourages continuous learning for our world-class talent pool.

Sasken has established the following tenets to uphold the highest levels of Intellectual Integrity, being a tech first and world-class company.

- Best-in-class systems and agile processes, enabling superior and cost-effective solutions
- People first approach that ensures we hire, retain and continuously develop our talent pool
- Nurturing an environment that promotes innovation
- A value-based approach that guides all our actions and fosters an atmosphere of trust and collaboration
- Collaboration with supply chain ensuring adherence to Sasken quality processes

Information Security

- Establish, maintain and continuously improve Information Security systems by ensuring confidentiality, integrity, and availability of information assets belonging to Company, its customers, partners and suppliers as per the Sasken Risk Assessment Framework.
- We continuously take into account Business, Legal, Regulatory, Contractual requirements and security obligations, as appropriate, and ensure their compliance.
- We continuously take into account, Privacy and protection of personally identifiable information as required in relevant legislation and regulation where applicable, and ensure its compliance.

Environment

- Continuously strive to adopt green and eco-friendly practices that minimize environmental hazards and pollution.
- Comply with all applicable legal, health, safety and other requirements while demonstrating corporate social responsibility.
